

**2005
HELLENTHAL VINEYARD
PINOT NOIR**

From the grapes' arrival at the winery on September 26, 2005 to today's tasting, the impression is the same; "chocolate covered cherries". This deeply colored wine has a smooth, rich texture owing to the fully developed tannin structure. Flavors follow aromas with its fruit forward core and layers of licorice, mineral and East Indian spices culminating in a very long velvety finish.

Limited Production: 1200 bottles
